### **Fundamentals of U.S. Domestic Relocation**

This program offers one-stop training for the novice, as well as relocation specialists, who need a 360° view of all facets of the employee transfer process. Industry leaders teach trends and successful strategies for six critical segments of the relocation industry including corporate relocation policies, the operations of relocation management companies, the appraisal process, real estate issues, international assignments, as well as current trends. This program package consists of three CDs and a supplemental workbook of the slides used in the class (available in PDF format-online only). Maximize your learning experience and also order the "Guide to Managing a Mobile Workforce."

Price: \$145

### **Guide for Managing the Mobile Workforce**

Your library needs the definitive guide to the relocation process! Written by industry experts, this book offers a solid overview of the employee mobility process and policy administration that educates the newcomer to relocation and serves as a resource to experienced practitioners. Loaded with information based on years of practical, hands-on application and infused with strategies that are both current and relevant, the guide focuses on key areas that include real estate assistance, family assistance, household goods moving services, cost-of-living considerations, international assignments, tax issues, group move situations, and a range of additional issues.

(Tabs updated annually in January)

Price: \$95 Worldwide ERC® members; \$125 non-members

## Worldwide ERC® Publications/Programs/Products

### **Tax and Legal Mastersource**

The Tax & Legal MasterSource is an online, in-depth reference tool that brings to your desktop detailed, searchable information on industry issues like state and federal tax code, homesale assistance programs, disclosure, agency relationships, environmental concerns and more. The Tax and Legal MasterSource is available on an annual subscription basis. Price: \$795 Worldwide ERC® members; \$1,195 non-members.

### **2007 New Hire Survey**

As labor markets get increasingly competitive – employers are going to need to create more attractive policies to be able to relocate new hires. Worldwide ERC®'s 2007 New Hire Survey reflects how companies are dealing with competitive labor markets by fine-tuning their policies for relocating new hires within various levels. Topics covered include: Policy tiers, lump sum reimbursements, payback agreements, advance payments and recruiting issues. Price: \$95 Worldwide ERC® members; \$250 non-members

### **2008 Worldwide ERC® Family Issues Survey**

The Worldwide ERC® 2008 Family Issues Survey provides comprehensive information on relocation assistance offered to transferees and their families transferred within the United States. The report includes data provided by corporate mobility professionals on key policy issues specific to the relocating family. Policy components covered encompasses assistance for spouse/partner employment, elder care, child care, and school finding. This study also examines assistance provide for families in commuter marriage situations. Price: \$95 Worldwide ERC® members; \$250 non-members

### **Intra-European Assignment Survey**

(available online only)

With the formation of the European Union and expansion of business across European borders, companies, now more than ever before, are looking to benchmark their international assignment policies for intra-European moves. This new study, a joint effort by Worldwide ERC® and Weichert Relocation Resources Inc. (WRRRI), examines key components of expatriate assignment policies for intra-European moves as well as the challenges HR professionals face in implementing these policies. Policy components examined include housing, destination services, temporary living, tax assistance, household goods shipping, spouse assistance, leave, allowances, security and more. Price: \$95 Worldwide ERC® members; \$250 non-members

### **Trends Survey on Expatriate Activity in Mainland China**

International business expansion into mainland China has increased markedly over the last several years. Worldwide ERC® and the Hong Kong Institute of Human Resource Management (HKIHRM) joined forces to conduct this study on global mobility practices in mainland China. This study examines the geographic trends of employee mobility into mainland China along with assignee demographics, mobility policy practices, reasons for assignments, and measurement of assignment success, as well as outsourcing, remuneration, payroll, and assignment contract practices. Price: \$75 Worldwide ERC® members; \$150 non-members

### **Expatriate Family Assistance for Mainland China**

Comprehensive research report on expatriate family assistance for Mainland China. Worldwide ERC® and the Hong Kong Institute of Human Resource Management partnered on this joint research study which examines challenges facing expatriate families, cross-cultural and language training, spouse assistance, education assistance for dependent children, destination services, Home leave, R&R and more. Price: \$75 Worldwide ERC® members; \$150 non-members

### **Relocation Assistance: Transferred Employees**
