

10TH

ANNUAL

WORLDWIDE ERC®

GLOBAL WORKFORCE SUMMIT:
TALENT MOBILITY IN EMEA21 - 22 FEBRUARY 2012
HILTON LONDON METROPOLE

LONDON, UK

The current information you need to ensure compliance, manage costs and develop world-class solutions to help your company succeed in EMEA.

Hosted by Worldwide ERC®, a non-commercial association of workforce mobility professionals and forum for education, networking and collaboration.

SPECIAL OFFER:

COMPLIMENTARY Summit registration for corporate HR attendees who handle mobility issues within their company.

REGISTER 

WHAT CONTENT IS COVERED?

Educational session topics include:

- Cost containment solutions for short-term assignments
- Best-in-class showcase: creative solutions to assignment management challenges
- Centralization vs. regionalization: balancing centralization with regional needs in global mobility programs
- UK immigration challenges: is it time to reflect after three years of immigration reform?
- Aligning career development with international mobility
- Assignments in China from the European perspective
- 2012 Olympics: opportunities and challenges for workforce mobility
- Attracting and retaining top talent in a "bear" market
- What you need to know: immigration and compliance issues on the African continent
- U.K. domestic mobility policies and practices
- The emerging role of procurement in global mobility
- Adjusting to the new financial paradigm: how furniture rental can positively impact relocation policies
- Global compensation challenges
- How companies organize and staff their internal mobility function
- Finding efficiencies in developing and administering multiple types of policies (short-term, commuter, long-term, etc.) across multiple countries

WHAT OTHER OPPORTUNITIES ARE AVAILABLE?

In addition to compelling plenary and multiple concurrent educational sessions; the Summit offers:

- An **interactive benchmarking workshop** exclusively for corporate HR professionals;
- An **Exhibit Hall** where delegates can learn about the latest programs, products and solutions offered by leading service partners;
- Numerous **networking opportunities**.

ENHANCE THE SUMMIT EXPERIENCE:

Global Mobility Specialist® Education

Turn one good business decision into another, and stay on for additional professional development via Worldwide ERC®'s global designation program, the Global Mobility Specialist (GMS®). Nearly 3,000 professionals in 55 countries currently hold this credential, which recognizes extensive knowledge, a standard of professionalism and a commitment to ongoing education in the field of global workforce mobility.

For more information, see www.worldwideerc.org/emea12.

“Worldwide ERC® meetings are a great opportunity for industry professionals to learn, grow and develop their skill sets, as well as meet and work with great people. I will definitely attend again.”

–Shannon Sweeney, CRP, GMS Bechtel
