

Government Relations Contribution Form

Your financial support of the Worldwide ERC® Government Relations Program is critical to meet the goals of representing the workforce mobility industry's interests and maintaining a robust public policy program. Your government relations program:

- Helps safeguard your investment in workforce mobility business by taking actions that preserve and protect the current managed move business model.
- Is the only watchdog for the workforce mobility industry, performing monitoring, outreach and advocacy duties on a daily basis.
- Develops resources to assist relocation professionals in challenging markets.
- Maintains best practice and educational programs like the Policy Statement on the Collection of Real Estate Referral Fees; communications tools to explain the

referral fee process; and The Interchange online referral fee complaint resolution tool.

- Offers a comprehensive, subscription-based online tax and legal library, indexed by topic and searchable by keywords.
- Relies on additional voluntary funding support to cover the demands of our government relations education, advocacy and tax and legal work.
- Maintains an effective government relations program by harnessing the strength of cohesive, cooperative approaches and remaining well positioned and ready to react to industry challenges.

Help us stand at the ready on behalf of the industry and contribute today!

Contributions can be made by checking the first option below and returning this completed form with a single payment; committing to a "per file" formula, based on your anticipated annual volume of relocation/workforce mobility business (indicate option 2 below); or on a deferred basis, later in the year (indicate option 3 below and note your preferred invoice date).
