■ The U.S Tax Treatment of Home-purchase Plans online course (© 2018)

The tax ramifications of companies reimbursing moving expenses for U.S. domestic transferees can be significant and costly. They can be particularly complicated when structuring home-purchase programs for the best tax advantage. An understanding of U.S. mobility tax law is essential for a successful relocation program, as it impacts policy development and implementation, service delivery, and compliance. This two-hour interactive online course will help you achieve that understanding and apply it in your work.
