

Real Estate Broker Company Membership

IMPORTANT INFORMATION ABOUT YOUR ENROLLMENT FORM

Welcome! We highly value and appreciate your membership, and put you, as a member and a customer, first in all that we do. We hope the following guidelines will be helpful to you as you prepare your enrollment forms, and if you have questions or require assistance, our staff members are eager to help! (Contact information appears at the bottom of page 2).

Member Contact Information

- This is the address to which your Worldwide ERC® member services and information will be mailed.
- Please list only one company name and one designated member representative per form.
- The company name should be the full legal name of the company or its "trading as" name. Please do not include descriptions such as "relocation specialists" unless they are part of the legal or "trading as" name.

Calculation of Fees

Annual membership dues are indicated on your enrollment form. Early payment (by the date noted in the "if paid by" column) qualifies you for a discount as shown. One listing is included in your base membership fee; additional listings for other cities served are \$57 each. To correctly calculate the total due for your membership, review and update the listing data on the second and subsequent pages of the enrollment form, check the appropriate boxes in the "Optional Products and Services" section, and add the appropriate fees to the subtotal.

Company Membership Information (for listing(s) in the Worldwide ERC® Directory)

The Worldwide ERC® Directory is unique in that all member listings are organized and presented from the standpoint of users, enabling them to easily find real estate brokers by location. With that in mind, real estate broker listings are grouped by cities served instead of by listers' names or mailing addresses. The details under each listing area, along with the company name, member representative name, URL and number of offices owned (which must be consistent in all listings), make up the listing information that will appear under each city specified on the enrollment form. A basic profile page includes your company logo, a brief company description (200 characters), one city listing is included in your base membership fee.

LISTING AREAS

- Worldwide ERC®'s real estate broker company membership package includes one city listing. The second and subsequent city listings are \$57 each.
- Listing locations must be cities. Do not list counties, regions, neighborhoods or other geographic entities. Worldwide ERC® will validate city listings and reserves the right to edit or omit invalid locations.

SPECIAL SERVICES

You may list any of the services below that are offered by your company:

- Buyer Broker – firm with agents representing transferees/corporations exclusively in the buying process of homes.
- Renter's Assistance – firm regularly assists non-homeowning employees to locate rental quarters including single-family residences and apartments.
- Rental Management – firm has full-service capability to manage single-family rental properties for corporations or their employees who elect not to sell their residences.
- Property Management – firm will fully manage vacant properties for corporations and/or their employees. Services include arranging for maintenance and repair work when requested and periodic inspection of vacant properties.
- Asset Management – firm specializes in managing foreclosure (REO) properties.

Enrollment Check List Did You...

- Review all preprinted information on your enrollment form for accuracy?
- Print any necessary changes legibly and directly on the enrollment form?
- Note that your enrollment form may be printed on both sides of the page? To remove a listing area or additional cities, return the applicable pages with those details marked for deletion. Absent specific instructions, Worldwide ERC® assumes all details preprinted on the form remain valid.
- Failure to return all enrollment form pages could delay processing.
- Enclose payment and sign your enrollment form? (Forms cannot be processed without proper payment and signature.)

We highly recommend Mike to be your real estate partner. Mike was instrumental in not only helping in locating and purchasing our house during our relocation to CO, but also was our partner in selling our same home due to another relocation at top dollar.

Mike championed all onsite inspection and contract work personally prior to our listing, including being able to provide qualified contractors through his team at REMAX Masters Millennium. Moreover, Mike provided this on-site leadership while we had already moved and had to relocate! Trust us, if you want a personal relationship with a realtor who knows their stuff and someone you can trust, call Mike.
