

WERC® Foundation For Workforce Mobility Scholarship Program Guidelines

The WERC® Foundation for Workforce Mobility recognized there is an opportunity to amplify the impact of the scholarship program. We are excited to announce we have created a pathway for high school and undergraduate students to apply for scholarships in areas where there is not a Worldwide ERC®-recognized Regional Relocation Group! (Must be a US state or territory at this time).

Through the program, those students with relocation experience are encouraged to submit essay/video(s) that meet the program's qualifications, and outline their personal stories, lessons learned and/or advice to fellow students.

Eligible students that meet the Foundation's qualifying criteria below are encouraged to submit Applications via the online form, along with the candidate's essay/video, to the Foundation no later than end of day (PST) on April 30th. Applications received after this date will not be considered.
